

Outstanding Lubricant Performance for Modern Textile Machinery

LUBCON® Special Lubricants for Knitting Machines

Cleaning Procedure with Turmotexoil LP 14 R

- ▶ Drain existing lubricant in the oil tank
- ▶ Clean the oil tank properly
- ▶ Fill 1 - 1,5 liter Turmotexoil LP 14 R cleaner in oil tank
- ▶ Increase oil setting and run machine for 2 hours
- ▶ Manually spray Turmotexoil LP 14 R cleaner on cylinder and cams in all angles continuously for 30 minutes
- ▶ Put curtain on the machine and spray air to remove excessive dirt
- ▶ Wipe whole machine
- ▶ Drain Turmotexoil LP 14 R and fill in Turmotexoil LP W Series
- ▶ Return adjusted oil setting into original setting
- ▶ Run machine for production

Turmotexoil LP 22 W

Prior to washing

After washing

Scourability Sucessfully Tested

Knitting oils must be easy to remove from textile fabrics by normally used washing liquors during the textile process.

LUBCON Turmotexoil LP 22 W demonstrates an optimum scourability on fabrics made of cotton, synthetics and spandex.

Product Information

Product	Base Oil Viscosity*	Base Oil	Features & Benefits
Turmotexoil LP 14 R	14 mm ² /s	paraffinic hydrocarbons	Lubricating and cleaning oil. Due to its low viscosity the oil permeates very tight clearances reaching even far areas to be cleaned.
Turmotexoil LP 22 W	22 mm ² /s	white oil	Keep the needles clean, extend service-life of needles and sinkers. Very good wetting properties and high lubricity, very good wear protection, good vibration and noise damping.
Turmotexoil LP 32 W	32 mm ² /s	white oil	
Turmotexoil LP 46 W	40 mm ² /s	white oil	

* at 40 °C

Outstanding Lubrication Performance
for Modern Textile Machinery

Knitting Oils Reduce Temperature and Save Energy

The appropriate knitting oil reduces wear and can prolong maintenance intervals. Optimal lubrication also lowers the operating temperature and saves electric energy. For this reason the described cleaning procedure should be considered, too.

Cam Temperature

Standard product

LUBCON oil

Energy Consumption

Standard product

LUBCON oil

Using the right knitting oil can save costs and protect the environment.

Contact the LUBCON experts to get to know more information about LUBCON knitting oils and their potential.
